EFFECTIVE LEADERSHIP THROUGH CHARACTER WORKSHOP

MAY 04-05, 2012

AT KARACHI MARRIOTT HOTEL

LEAD THE WAY

The greatest myth about leadership is that it's something you're born with. **Effective Leadership Through Character** is a 2-day workshop, which clears the fog that surrounds one of the most important aspects of

our lives. Whether at home or work, our success depends on how well we can lead our teams, our families and, most importantly, ourselves.

SULEMAN AHMER LEAD FACILITATOR

CEO and Lead Trainer Suleman draws on a diverse range of experiences from research in Solid State Physics with the US Air Force to consulting with multinationals, training thousands of people in South East Asia, the Middle East and North America. He has travelled to over 30 countries and worked in six different countries.

His book *The Embattled Innocence* captures his experiences as a relief worker. He is a speaker at Lahore University of Management Sciences (LUMS), where he teaches the principles of Strategic Visions.
